Please let this letter serve as a recommendation for Mr Luke Richter as an excellent senior level Digital Web and Graphic Designer. When Luke worked for us he utilised his work and skills in a variety of ways. We were sad to see Luke leave our employment but we also know that he should have no problem finding the right position in a Lead or senior capacity.

Mr Richter is a very personable professional who wants as many details as possible in order to deliver the right products. Luke is well equipped to grow from challenges he is presented with. His three key traits are, patience, creative ability, strong digital web skills prepare him beautifully for a role in your Business. He is a brilliant designer and his creativity goes well beyond any bounds I have ever seen.

Luke had never missed scheduled business meeting and always played a vital key role on the decision making of all design and digital aspects of our business. He would always plan carefully, design deliver all work ahead of schedule. Luke was by far the best Designer that the company has ever had and we were sad to see him go.
